Chapter Business Plan Question:

Did you know?

2 Points for a working link to at least 2 of the following: wcr.org, Realtor.org, Mirealtors.com

Make sure you are reading it and keeping up with the requirements.

Annual Elections are not far away. Have you let us know you would like to run for a State Office?

Dear State Members of the Women’s Council of Realtors:

I want to start out by saying I am impressed with all the hard work each and everyone of you did to get your membership increased. Keep working on the added value of being a member of WCR. Thank you.

Things are happening in the State Chapter of WCR. Your leadership team (Jo Ann, Angie, Laurie & Chris) went to Traverse City on June 4, to make a presentation on Women’s Council of Realtors and how they can start a chapter. There are several past members that are willing to get involved again to make this happen. We were all impressed with the energy they have and determination. Their goal is to have enough members to have it ready to announce at MAR in Traverse City in October.

Have you signed up for the Regional Retreat in Dayton? Why not take a couple of days off and get energized, meet new friends and have some fun? July 22-24, Dayton, OH. Just down I-75.

President Elects: If you have not registered for Leadership Academy in Chicago 7/31 & 8/1 make sure you do. What a great opportunity to meet WCR members from all over the country and learn all about being an LCP.

Jo Ann Hatfield, President
