## WCR REALTOR® Party Washington, DC May, 2014

Our Michigan Chapters surely represented us well in Washington! Nearly all of our Chapters were award recipients for growth, Retention, & achievement. We strengthened our bonds and our love for the Council.

### A word from the President...Debbie "Z"

What a year we have had in the great State of Michigan! Many of our awesome members and wonderful leaders have met on several occasions to brainstorm, learn, network, and create those important personal relationships. We were together for a great State Dinner in Washington, DC during the REALTOR® Party Conference at Old Ebbitt Grill. Many great events are on the horizon...many of our local chapters will be holding "Bras for a Cause" events...check the state website for details. Our Council not only gives to our members but back to the communities we serve. You are important to us...Come Join Us!
